## REGULATIONS & RULES (3/7)

### Promotion and general event details

#### GENERAL RULES:

- The organization decision doesn't give rise to any appeal and /or contest by the participant.
- From the 27th September until the day of the event, only registrations transfers, will be allowed, and after justified and approved by the organization.
- · The organization may exclude any participant if they feel, that the event may be compromised by the behavior and / or misconduct of the participants.
- The event takes place in the Serra do Caramulo region, and its logistics base will be in the heart of the Caramulo village, next to the Caramulo Museum, in Tondela, Portugal.
- The organization will provide free camp, with access to WC and baths. These support structures will be less than 1500 meters from the starting point of the "ride".
- Tents and all necessary material for camping, will be responsibility of the participant.
- During registration at the event, participants can choose different accommodation options.
- The event is non-competitive and will last 2 days.
- Although there is time control, that will only ensure some rigor and the safety to all the participants.
- The distribution of the prizes will be made based on a prize draw between all the finishers of the **X-PERIENCE PACK** and not through the classification.
- The routes will be, wherever possible, predominantly on gravel paths, secondary roads and in sections of "pavê", avoiding, as possible, urban areas and national roads.
- The organization will provide a .gpx (GPS) track in October 1, 2019 until 11:59 p.m.
- The official gpx track is provided for the day **X-PLOERER RIDE** on 12th of October 2019.
- The participant is free to not respect the track provided but have the obligation of stamping the "pass-port" in the check points. That's the only way to be considered finisher and liable for the prize-draw.

---

## REGULATIONS & RULES (6/7)

### Promotion and general event details

#### TO RETAIN:

- The organization is not liable in any way, for any damages caused by the participants of the event, in themselves and/or to third parts.
- The participant is responsible for their participation, regarding respect for the transit rules, as well as the laws of the Portuguese Republic Constitution.
- The organization recommends that participants have a valid civil liability insurance for death, accident or disability that covers emergency removal and repatriation.
- It is mandatory that the participant, at the time of the check in have the following documents: identification document and a copy of email that confirms the registration in the event.
- To the event, the participant assumes her ability / physical condition.
- When signing up for the event, each participant withdraws the promoters from any responsibility for their acts.
- "Electric bicycles" are not allowed.
- It is recommended that the participant has GPS guide equipment. Make sure that you have enough battery life for the entire event (7/8 hours).
- Motor vehicles, such as cars, motorcycles or similar vehicles, are not allowed for personal assistance to participants. Only the organization cars will be allowed.
- The organization will provide dinner to promote the social interaction between the participants, their families, exhibitors, etc ...
- This event has a main mission: Promote GRAVEL.
- GRAVEL is a sport in great expansion in Europe and all over the world. Portugal is still taking its first steps.
- Your presence in the first event of gravel in Portugal, will be part of the history of the sport in Portugal.
- Do not forget to bring bike, suitable equipment / clothing, helmet, inner tubes, air pump and all the tools necessary for a safe and nice ride. Lights are recommended.

---

## REGULATIONS & RULES (7/7)

Promotion and general event details

### TO RETAIN (cont.):

- The use of cycling helmets is mandatory. If you forget the helmet, you will be immediately excluded from the event, without any refund of the registration fee or any other.
- This event is only possible thanks to the enthusiasm and commitment of all our volunteers. Please be cordial to them.
- Portugal is one of the safest countries in the world. The Serra do Caramulo is one of the most natural and chill areas of Portugal. Relax and enjoy our region and its culture.
- Follow the organization's instructions, for your safety and more fun throughout the event
- The organization is unanimous in all its decisions.
- Remember that in these events, winning is a formality ... here everyone wins, because it will be a unique experience and the first in Portugal.
- The prizes will be drawn, so even if you are not the best athlete in the world, the probability of winning the "1st prize" is very high.
- If you plan to sign up for our event because of the prizes, maybe this is not the event for you.

### PLEASE, GET DIRTY...
